SECTION 1. GENERAL INFORMATION

1.1 Introduction

The Government of the District of Columbia, District of Columbia Taxicab Commission (“DCTC”), is soliciting applications from taxicab companies and independent, DCTC-licensed taxicab owners (collectively, “Eligible Grantees”) under this RFA (#ELECTAXI-2016-01-002), to purchase fully electric taxicabs.

Upon approval, participating Eligible Grantees must purchase at least one fully electric taxicab that is Model Year 2012 or newer. DCTC will make available, no later than March 15, 2016, at least \$10,000 in grant funds for Eligible Grantees: to purchase one brand new fully electric vehicle for use as a taxicab in the District of Columbia.

1.2 Purpose of the Grants

The purpose of these grants is to provide a financial incentive to Eligible Grantees to purchase fully electric taxicab vehicles. **All Eligible Grantee documents submitted for the purpose of this grant program will be kept confidential within DCTC and will not be shared outside of the District Government.**

1.3 Source of Funds

The source of funds for the grant(s) is the DCTC.

1.4 Competition for a Grant Award

This RFA is a competitive award. Each applicant must demonstrate its ability to carry out the activities for the program and the grant(s) for which it applies. A review panel will evaluate the applications for the program and advertise the grant according to the stated list of criteria in each project description. The proposal(s) with the highest score(s) will be approved to participate in the Electric Taxicab Program and be awarded grant(s) commensurate with the panel’s evaluation of the application. Specifically, grant awards will be made based on eligibility (Section 1.6), the extent to which the application fits within the scope and available funding of the grant, strength of the application, and the applicant’s capacity to achieve the grant’s goals.

Each applicant may submit an application for more than one project, if applicable.

1.5 Projects and Funds Available

This RFA presents the following Electric Taxicabs project for the stated dollar amount. Pending the availability of funds, DCTC will award through this RFA a minimum of \$10,000 up to a maximum of \$200,000 in total awards. Multiple grants may be awarded in minimum

amounts of \$10,000 or a single grant in the amount of \$10,000 based on the applicant's ability to show it has the capacity to meet all proposed deliverables as specified in this RFA during the course of the grant period (February 1, 2016 and end on January 31, 2017). The above mentioned grants will be for Eligible Grantees that are in compliance with all applicable laws and regulations. The pre-application conference is scheduled for 2:00 p.m. Thursday, January 15, 2016. DCTC seeks applications for:

Project Number	Project Name	Project Amount
TC-2016-01-002	ELECTRIC TAXICABS	\$200,000

1.6 Eligibility

District of Columbia Eligible Grantees licensed by DCTC may apply for this grant opportunity. No Eligible Grantee will be approved for a grant under this program unless the Eligible Grantee, operator, and vehicle are in compliance with all applicable provisions of Title 31 of the District of Columbia Municipal Regulations ("DCMR") and other applicable laws. Specifically, applicants must be current Eligible Grantees in good standing with the Office, and be in compliance with all Title 31 and DCRA licensing requirements to apply and participate in the Electric Taxicab Program. The Office shall, in writing, deny the application of any Eligible Grantee not in compliance with the Clean Hands Act or that has failed to cooperate with the Office during the application process.

Each Eligible Grantee shall be in compliance with, or ready to comply, with all requirements found in Title 31 of the DCMR and the following additional requirements:

- Maintain appropriate business records for five years;
- Acquire a Model Year 2012, 2013, 2014, 2015, 2016, or 2017) vehicle with DCTC grant funds;
- Maintain a bona fide place of business in the District. The bona fide place of business may be an in-home business operated consistent with District law;
- Possess commercial insurance including all associated operators and vehicles; and
- Ensure that participating operators are in compliance with all Title 31 requirements, including maintaining functional credit card machines to accept payments.

1.7 Permissible Use of Grant Funds

Grantees may use grant funds only to purchase fully electric taxicabs. Vehicles must have the capability of running on one hundred percent (100%) electric power at a given time. Vehicles may be powered through a collector system by electricity from off-vehicle sources, or may be self-contained with a battery or generator to convert fuel to electricity.

Grant funds will be provided on a reimbursement basis, except that an advance of funds may be provided in limited circumstances.

1.8 Grant Monitoring

DCTC may use several methods to monitor the grants and services including site visits, periodic inspection of financial reports, and the collection of performance data.

1.9 RFA Conditions - Promises, Certifications and Assurances

Applicants should carefully read Appendix 3, “Applicant’s Promises, Certifications and Assurances (“PCA”).” That document is incorporated by reference in this RFA. When an applicant signs the application, it is making the listed promises, certifications and assurances and agrees to the other statements in Appendix 3.

1.10 DCTC’s Authority to Make Grants

DCTC has grant-making authority under D.C. Official Code § 50-320 (b) (1) (D), in particular, to “provide grants, loans, incentives, or other financial assistance to owners of licensed taxicabs legally operating and incorporated in the District to incentivize the purchase and use of alternative-fuel vehicles[.]”

1.11 Conflicts Between RFA and Applicable Law

If there are any conflicts between the terms and conditions of this RFA and a provision of applicable law, including a public law, statute or regulation, the provision of the law shall control.

SECTION 4. Review Panel and Application Scoring

4.1 Review Panel

This is a competitive grant. The review panel for the RFA will be composed of individuals with knowledge in the areas directly related to the RFA. The review panel will review, score, and rank each Applicant's proposal.

When the review panel has completed their work, the panel will make recommendations for awards based on the scoring criteria for the particular grant at issue.

Review panels vary in size. Typically three to five people sit on a review panel. The review panel will consist of at least three technical people. At least two of the review panel will be from DCTC staff.

4.2 Scoring Criteria

The reviewers score each proposal according to a list of criteria and their available points. The scoring of each application is based on a 100-point scale. The criteria and the points appear in the RFA's description of each grant opportunity. The applicant should read this list carefully, ensuring that the proposal addresses each of the following criteria:

- (a) The Office shall review each application pursuant to the Clean Hands Act (D.C.

Law 11-118, D.C. Code § 47-2861, *et seq.*) and shall deny the application of any applicant not in compliance with the Clean Hands Act;

- (b) Adequate financial resources or the ability to obtain them;
- (c) A satisfactory record of past performance in the taxicab business, including demonstrated quality of service delivery;
- (d) Documentation that the grantee has the legal status (i.e. business license, non-profit incorporation, etc.) to conduct business within the District of Columbia;

The review panel will evaluate each proposal using the criteria listed with each project description. The panel will recommend the approved Eligible Grantee for funding (subject to how much grant funding is available).

Preferences may be awarded for points independent of the 100-point scale. An applicant with an address in the District at the time of the application will be awarded a residency preference of 10 (ten) points. If the applicant does not have an address in the District, but the application includes a District-based Eligible Grantee partner, five (5) points will be awarded. The residency preference will be afforded as follows:

The preference points will be added to any points awarded to the applicant on the 100-point scale used to rank qualified applications to each project.

Preference candidates will be selected ahead of equally scoring, non-preference candidates.

SECTION 5. FILING REQUIREMENTS

5.1 Documents to File as Part of the Proposal

Each of the following documents must be filed as part of the proposal package. If a required document is not in this filing, DCTC may classify the grant application as “received” but not filed. Status as “received” will not meet the application deadline. Exception: If a government agency must issue the document, and the applicant has requested the

document, DCTC may accept a copy of the applicant's request to the agency as proof of the request.

(a) Certificate of Good Standing

Each applicant must submit a Certificate of Good Standing from the DC Department of Consumer and Regulatory Affairs. The Certificate shall be current.

(b) Promises, Certifications and Assurances Document

Each applicant must sign the lengthy document titled "Promises, Certifications and Assurances" ("PCA") in Appendix 3. This document is incorporated by reference in the RFA. This means that it is, and should be read as, part of the RFA. This is an important document.

Signing the PCA as though under oath is a condition of eligibility for the grant applied for. If the applicant is not prepared to sign the PCA it should not apply for a grant. The signature also constitutes a continuing promise and certification, which is a continuing condition of eligibility for each grant described in the RFA.

The PCA must be signed by an individual grant recipient or, if an organization, by the duly authorized officer of the applicant organization. If the person signing for the applicant is barred by faith or custom from swearing under oath, s/he may "attest to the truth."

The applicant is not required to send the entire document back to DCTC. Rather, DCTC requires the table of contents and the signature page. The applicant should print the pages on which the table of contents appears and the signature page of the document, sign the signature page, and submit the pages with the proposal.

The PCA also includes a sworn statement verifying that the applicant is current on all obligations outstanding to the District, including the District's agencies. DCTC defines "current" to mean as of the date of the application, the date of a grant award, and the period of the grant. DCTC will require, as a condition of continuing eligibility, that a grantee stay current on such obligations.

(c) W-9 Tax Form

The applicant must submit a current completed W-9 form, prepared for the United States Internal Revenue Service ("IRS") purposes. DCTC defines "current" to mean that the document was completed within the same calendar year as that of the application date. If the applicant has submitted a current

completed W-9 to DCTC for another application, or for another purpose, the applicant may submit a copy of that document. The applicant must submit its full budget, including projected income, for the organization's current fiscal year, using a format at least as detailed as that presented in Appendix 2. Also, the applicant should submit a comparison of budgeted versus actual income and expenses to date.

(d) Applicant's Financial Statements

If the applicant has undergone an audit, it must provide the most recent audited financial statements. If audited financial statements are not available, the applicant must provide its most recent complete year's unaudited financial statements.

(e) Separation of Duties Policy

Applicant must submit a statement that demonstrates how the organization separates financial transactions/duties between people within the organization, for the purposes of preventing fraud and/or waste. This may be a statement that already exists as a formal policy of the organization, or the applicant may create the statement for the application. *The applicant should state which of these is the case.*

This statement should describe how financial transactions are handled and recorded. It should include names and titles of personnel involved in handling money, how many signatures the bank(s) requires on the organization's checks and withdrawal slips. It should address other limits on staff and board members' handling of the organization's money.

(f) Sworn Written Statement About Criminal History of Eligible Grantee Leadership

State whether the applicant, or where applicable, any of its officers, partners, principals, members, associates or key employees, within the last three (3) years prior to the date of the application, has:

- (1) been indicted or had charges brought against them (if still pending) and/or been convicted of (a) any crime or offense arising directly or indirectly from the conduct of the applicant's organization or (b) any crime or offense involving financial misconduct or fraud, or
- (2) been the subject of legal proceedings arising directly from the provision of services by the organization. If the response is in the affirmative, the applicant shall fully describe any such indictments, charges, convictions, or legal proceedings (and the status and disposition thereof) and surrounding circumstances in writing and provide documentation of the circumstances.

(g) DC Office of Tax and Revenue (“OTR”) Tax law filing certificate

(h) Statement of Insurance Carriers and Policies:

The grantee shall provide in writing the name of all of its insurance carriers and the type of insurance provided (e.g., its general liability insurance carrier and automobile insurance carrier, workers’ compensation insurance carrier, fidelity bond holder (if applicable)), and, before execution of the award, a copy of the binder or cover sheet of their current policy for any policy that covers activities that might be undertaken in connection with performance of the grant, showing the limits of coverage and endorsements. All policies, except the Workers’ Compensation, Errors and Omissions, and Professional Liability policies, that cover activities that might be undertaken in connection with the performance of the grant, shall contain additional endorsements naming the Government of the District of Columbia, and its officers, employees, agents and volunteers as additional named insured with respect to liability abilities arising out of the performance of services under the award. The grantee shall require their insurance carrier of the required coverage to waive all rights of subrogation against the District, its officers, employees, agents, volunteers, contractors and subcontractors.

(i) A statement asking entities to identify any financial or familial connections to any DCTC employees, contractors or other affiliated parties.

(j) Driver Inventory. The driver inventory must include the operator(s) name(s), cellular telephone number(s), and DCTC commercial operator’s license number(s).

(k) Vehicle Inventory. The vehicle inventory must include the year, make, model, and color, PVIN, and tag number.

5.2 Documents to File if DCTC Notifies That It Will Make the Grant

Each of the following documents must be filed with DCTC before DCTC can pay out funds pursuant to a grant award. Exception: If a government agency must issue the document, and the Applicant/grantee has requested the document, DCTC may accept a copy of the Applicant’s request to the agency as proof of the request.

(a) Certificate of Insurance

The grantee shall be required to submit a certificate of insurance giving evidence of the required coverage, either before or after the award, but before work commences.

(b) Assurance of Continued Truth and Accuracy

The grantee will be required to reaffirm upon acceptance of the grant award that the statements it signed in support of its application are still true and correct, or, if not, what has changed. One of the grantee's promises, as an Applicant, is to advise DCTC of material changes since the filing of the application.

(c) Tax Certification Affidavit

The grantee shall submit an affidavit indicating whether the entity has complied with the filing requirements of District of Columbia tax laws, and whether the entity has paid taxes due to the District of Columbia, or is in compliance with any payment agreement with the Office of Tax and Revenue (OTR). The affidavit can be obtained from DCTC.

(d) Current Taxes Affidavit

The grantee shall submit an affidavit indicating that they are current on all taxes, including Unemployment Insurance and Workers' Compensation premiums.

(e) Access Statement

The grantee shall sign a statement making clear that they understand that "The grantee shall grant reasonable access to the District, the Agency, any applicable federal department, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records (including computer records) of the grantee that are directly pertinent to charges to the program, in order to conduct audits and examinations and to make excerpts, transcripts, and photocopies; this right of access also includes timely and reasonable access to grantees' personnel for the purpose of interviews and discussions related to such documents."

SECTION 6. FILING REQUIREMENTS GENERAL PROVISIONS

6.1 Grant Award Administration

The following terms and conditions apply after DCTC has made its decision to grant an award.

(a) DCTC's announcement of award

DCTC's objective is to announce grant awards by at least four (4) weeks after the application due date.

(b) Grantee Reports

The Grantee must provide DCTC monthly status reports, which are due on the 5th day of each month for services rendered during the previous month. For example, an August 5th report must include all required service information for the month of July (July 1st through July 31st). The reports must discuss grant activities for the preceding month.

If a report's due date falls on a weekend or District holiday, the report will be due the next business day. The report must detail actions taken for the month preceding the report date and the reports must include the number of metered trips taken in all vehicles purchased with grant funds awarded under this RFA.

(c) Reimbursement of project expenditures

Grantees will not be reimbursed for any work that is undertaken before DCTC awards the grant. DCTC intends to reimburse for expenditures related to the purchase of one (1) electric taxicab and associated hack-up costs. If the applicant seeks start-up payments it should make the request in its proposal, and explain the request. DCTC operates on the District's fiscal year, which starts October 1 of a calendar year and ends September 30 of the next calendar year. The grantee may submit a reimbursement request, or invoice, at any time during the fiscal year. Each request/invoice must include supporting documentation, such as receipts. Reimbursements will be received from a current electric taxicab service provider.

A cover sheet must be submitted as the first document in the application for an announced grant. If the Applicant is applying for more than one grant, each grant should have its own cover sheet. Please use this Appendix to prepare the cover sheet.

There is no special design format to this cover sheet, except that the items below must stay in their numbered order. This cover sheet may be submitted single-spaced.

An application submitted without the properly filled-in cover sheet will be considered NOT filed. The result could be that the Applicant misses the filing deadline. Please fill in a cover sheet for each grant sought.

Each applicant shall provide the following information and documentation to the Office of Taxicabs (“Office”) on his or her cover sheet:

The name of the applicant;

The trade name(s) and logo used by the company, if any;
